

7th August 2022, Location: Naseby Village Hall, Naseby Rd, Haselbech, Naseby NN6 6DE

RACE INFORMATION

Road Run

10km run | Half Marathon run

Introduction

Welcome to the Battlefield run 2022... An amazing well known popular run with fabulous history. A great event to test your run legs, the course feels predominantly down hill for the most part. But don't worry, we haven't forgotten to include the infamous Haselbech hill just to give you a chance to recover from all that speed.

The event is suitable for beginners and advanced athletes with two distance options.

A single loop 10k option and a Two loop half marathon option for those who want a little more.

The route takes you from the beautiful village of Naseby out on to some of the quietest picturesque roads with rolling hills and stunning views. The Northamptonshire countryside really is quite stunning.

The start and finish will be at Naseby Village Hall where you will be welcomed with open arms and smiles by our wonderful team of marshals.

If you have questions prior to the event, please contact us by email to: events@enduro-team.co.uk

Racing will start at 08:00 with the final starters list being published on <https://enduro-team.co.uk/events/> on Wednesday 3rd August 2022.

We look forward to welcoming you on the day and wish you all a fantastic race.

REGISTRATION packs will be by post with a team of helpers at race HQ on the day to help with anything you need from **07:00**. Please allow 45minutes before the race start time, to allow sufficient time to prepare for your race. Race results will be available immediately after the race and can be found at <https://resultsbase.net>

Your **RACE PACK**, will include your race number, please ensure race numbers are pinned to the front of your run vest or attached to a race belt facing forward.

In case of an emergency, we kindly ask that you write any medical conditions you have on the back of your race number and put a cross on the front as to help the marshals or medical assistance be as efficient as possible.

RACE BRIEFING AND RACE START

The event will start at 08:00. There will be a mass race briefing at: 07:45 near the race HQ marquee. You **MUST** attend the briefing as to ensure you are aware of any last minute changes which may be required on the day which may affect your race.

Immediately after race briefing you will be ushered along to the start line where at 08:00 a start klaxon will sound and your race will begin.

The Run Course

The 10k route is a one lap route with the half marathon being a 2 lap route.

After leaving race HQ you will out anti clock wise through the village of Naseby before heading out on the Cottesbrooke road to the fully signed route which takes in some stunning views. You may want to take advantage of the drinks station which will be located 200m before the fun climb starts. From here you will need to dig deep and cheer your fellow competitors along the climb. Once over the top it's steady rolling country side back to race HQ. A truly awesome run route.

Littering and event Team

Please remember that littering on the courses (gels sachets etc) is not acceptable. Please return with it to the finish area and dispose of it in an appropriate place.

Our event crew are volunteers who have given up their time to help, assist and make the event as enjoyable as possible. The crew will help set up the courses, signs, marshalling, and all the small detail in preparation for a great day and then help pack it all away to leave the site as clean as it was before we arrived.

If there is anyone who is interested in getting involved with the events team for any of our events, either as an individual or as a club, please get in touch.

Final Contact in event of emergency on the day: Kirk Wilde 07889661464
